Filing Description:

Pursuant to Title XVIII of the Public Health Act and the Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. § 300gg-42(a), please accept the letter attached under the supporting documentation as formal notice of World's decision to discontinue and non-renew all individually underwritten comprehensive major medical benefit plans and withdraw from the individually underwritten comprehensive major medical insurance business in the State of Oklahoma. We are exiting only the individual, association group and group trust markets for individually underwritten major medical insurance. This notice was sent to the Commissioner via overnight mail on October 20, 2011.

This notice was originally submitted under the SERFF filings noted under the AMRP-127704205;AMRP-127703138;AMRP-127703236 and through discussion with the department, they were withdrawn. Because I used the clone feature in re-creating this filing, I could not 'unmark' this filing as confidential. I know that it will not be treated as confidential once the state has acknowledged this filing.

I have filed American Republic Insurance Company, which is listed in the Corresponding Filing Tracking Number field. The filing notice is exactly the same.
